

### HDMI 2.1 (48Gbps) Hybrid AOC CMP Plenum Rated Jacket 299HDH21AAMMXXXMOK13

True Xero™ Hybrid AOC cabling technology uses copper wires and optical fibers to join the electrical connectors on each end of the cable. The result is improved speed and bandwidth transmission distances with an indoor (non-plenum) rated thin cable that is flexible and lightweight. True Xero™ HDMI AOC cables are designed for Pro-AV 8K video and audio with superior performance while providing a reliable plug-and-play user experience.

#### Features
